RECEIVED  
CENTRAL FAX CENTER  
DEC 18 2006REMARKS

The Examiner has required election under 35 U.S.C. §121 among the species:  
a button with an alignment post; a button having means for reducing lateral  
motion; and a button having a means for reducing wobble.

In response to the restriction requirement, the Applicant hereby provisionally  
elects without traverse the species of a button having an alignment post, claims  
1 – 13 readable thereon, for further prosecution on the merits. Applicants make  
this election based on the understanding that Applicants are not prejudiced  
against filing one or more divisional, continuation, and/or continuation-in-part  
applications that cover the non-elected claims.

Respectfully submitted,
